**Notes:**

Note 1: Only colleges where the vocational education and training is certificated by the ACT Board of Senior Secondary Studies have numbers of qualifications reported. The data includes vocational qualifications achieved in years 10 – 12.

Students can be awarded vocational qualifications from external registered training organisations. These are not included.

Note 2: ATAR - Australian Tertiary Admission Rank. All colleges have students achieving a range of ATARs. The median ATAR is the middle ATAR for each college. The median ATAR is not published when the number of TES awarded is less than 11.

Note 3: Universities publish ATAR cut-offs for individual courses.
