## General Capabilities

All courses of study for the ACT Senior Secondary Certificate should enable students to develop essential capabilities for twenty first century learners. These 'capabilities' comprise an integrated and interconnected set of knowledge, skills, behaviours and dispositions that students develop and use in their learning across the curriculum.

The capabilities include:

- Literacy
- Numeracy
- Information and communication technology (ICT) capability
- Critical and creative thinking
- Personal and social capability
- Ethical behaviour
- Intercultural understanding

Courses of study for the ACT Senior Secondary Certificate should be both relevant to the lives of students and incorporate the contemporary issues they face. Hence, courses address the following three priorities. These priorities are:

- Aboriginal and Torres Strait Islander histories and cultures
- Asia and Australia's engagement with Asia
- Sustainability

Elaboration of these student capabilities and priorities are available on the ACARA website at [www.australiancurriculum.edu.au](http://www.australiancurriculum.edu.au).

## Operational requirements

The operational requirements are:

- Students who complete units of study from both *Music* and *Specialised Music* may form a *Studies of Music* Minor, Major, Major Minor, or Double Major.

- Colleges must be aware of policies concerning transfer of units and whole courses (refer section 4.3.5.2.2 Units in Other Courses) to another course and policies relating to moderation scaling groups. (Refer section 5.4.1 Course Combination into Moderation Scaling Groups.)
