R Unit – ASDAN

An R unit is a learning experience. The purpose of an R unit is to recognise the time a student engages in a learning experience.

Colleges develop a program of learning based on the R unit. R units are delivered by the home college or conducted in partnership with external organisations. A partnership is a formal arrangement between the college and organisation. A partnership is recognised by a written agreement outlining the activity and signed by the principal.

R Unit – Industry Workplace Competency Training

An R unit is a learning experience. The purpose of an R unit is to recognise the time a student engages in a learning experience.

Industry Workplace Competency Training R units can only be used to support the service period expectations of Training Packages when required.

Colleges develop a program of learning based on the R unit. R units are delivered by the home college or conducted in partnership with external organisations. A partnership is a formal arrangement between the college and organisation. A partnership is recognised by a written agreement outlining the activity and signed by the principal.
